# Culture Words Brainstorm

---

What are some words/ideas that define a culture?

In Shared Notes, write down words that are related to culture.

After four minutes, you'll need to explain to the class what one of the words written down means.

# Teacher Feedback Survey

---

The survey is for the student-teachers to better design classes for the rest of the semester.

You have ten minutes to fill out the survey which is found in the Share Notes.

# Skribbl

---

Using the words provided, plus a little more, we'll play some Skribbl!

# Canada and Hockey

---

# “All Ice is Home Ice”

---

The video is about how hockey is considered “Canadian”.

The video is “provocative,” meaning it has a message that Canadians and others may have strong feelings about.

How does the message make you feel about hockey and Canada?

Why do you think the video chose this message?

# Focused Discussion

---

What sport is important your culture? How is it important?

What do you like about your own culture? What do you dislike?

What do you like about Canadian culture? What do you dislike?

What are the biggest difference between your culture and Canadian culture? Are these differences positive or negative? Why?

# Exit Ticket

---

Please turn on your camera and microphone. Answer the following question:

If some people from other countries came to your country, what part of your culture would you suggest that they must experience?
